

CENTRAL PINES REGIONAL COUNCIL

# Research Triangle Regional Planning Commission

## GENERAL PROGRAM

01

Where and in what pattern could urban development resulting from Research Triangle Park occur as Park employment increases?

02

What are implications of various alternatives to local public finance?

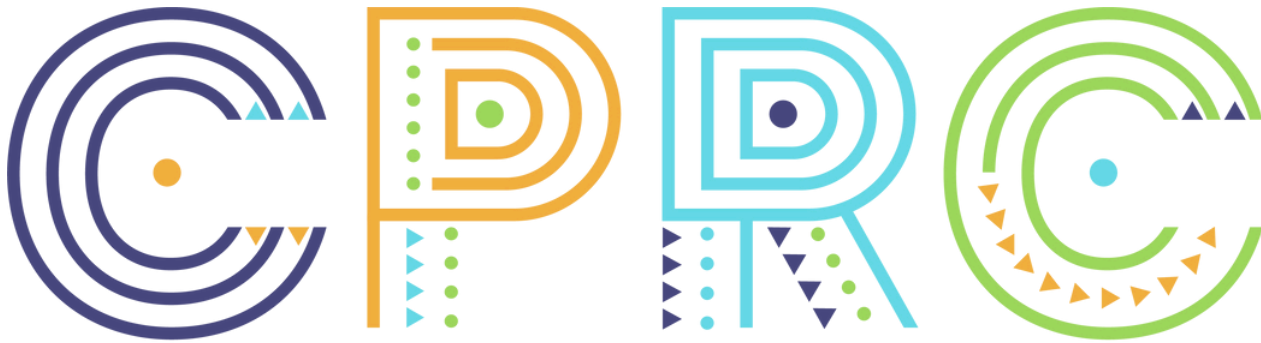

03

What actions should local & state governments take to encourage or discourage each of the several alternatives?

- Zoning
- Subdivision control
- School site advance acquisition
- Open space provision or reservation
- New highways
- Local utility policies
- Water supply provision
- Sewage disposal provision
- Other

December 1959

## Get to Know

**CENTRAL PINES REGIONAL COUNCIL**

**RTIP**
