

# Board of Delegates Recap

# 2024

→ January 2024

## Meeting Summary

The first Central Pines Regional Council Board of Delegates meeting took place on Wednesday, January 24, 2024 following the Open House & Ribbon Cutting. Prior to the meeting, Board Officers, Delegates, and Alternates took photos which will be displayed outside the Central Pines Conference Room. The meeting was chaired by Vice Chair Brett Gantt. Outgoing Board Members were recognized for their service and incoming Board Members were introduced. Three CPRC staff members were recognized for milestone years of service.

The Local Government Highlight focused on two long-standing regional water resource projects: 1) Triangle Area Water Supply Monitoring Partnership, and 2) Triangle Water Supply Partnership. Presenters included Emily Barrett, CPRC Environment & Resilience Director, Sydney Miller, Senior Water Resources Manager, City of Durham Water Management; Whit Wheeler, Raleigh Water Director, and Jamie Revels, Cary, NC Utilities Director.

# Our space is your space.

Renovated and expanded in 2023, Central Pines' offices span 21,000 square feet in the center of our region. Facilities include 5 conference rooms, a formal board room, private offices, work stations, call rooms, and the community café. Member Governments can now reserve CPRC's conference center for board, leadership, and departmental retreats or others special community meetings at no charge. Learn more [here](#).

## Action Needed

- [Board Member Contact Info Form](#): we want to make sure we have your most up-to-date contact information. If you were not in-person at the January meeting, please complete this form so that we have current contact information.
- [Media Training for Elected Officials](#): This was something we offered to our local elected officials last year and it was well-received. So, we thought we'd see if there is interest in offering this again this year. This workshop will cover:
  - What the media wants
  - A reporter's day
  - Crafting concise sound bites
  - The magic of editing
  - How to block & bridge
  - Body language
  - Vocal delivery
  - What to wear
  - Getting comfortable in front of the camera
  - Webcam best practices (Zoom, WebEx, Teams)
  - If you're interested, let us know by filling out this form
  - See what a few of last year's participants had to say here
