# Siting & Permitting Support

We offer support to local governments in North and South Carolina with education and technical assistance on solar and wind energy siting and permitting. Through our program, we are doing the following:

**Topics related to utility-scale solar, wind, and energy storage development are eligible for assistance. Key issues include:**

*Scan to submit  
questions &  
technical  
assistance  
requests, access  
resources, & more!*

## ASSISTANCE IS OFFERED THROUGH:

- Presentations for local officials and communities
- Ordinance review and development
- One-on-one consultations
